

Top and bottom border quilting: 10 squares, with start and end point as shown.

Draw the squares on the fabric with white erasable marker.

Quilt in light blue or white quilting thread. To help get the squares in the right place, it helps to tack along the vertical lines (marked with triangles) first.

start point

repeat section

end point for top

extend line for end of side pattern as shown.

Side borders: 10 squares, start half inch in from edge.
